Fall Luncheon 2013

On September 10, 2013, the Women's Club at UCF, Inc., held its annual fall luncheon at the Fairwinds Alumni Center. After a busy, hot summer, it was a wonderful opportunity for long time members to catch up on each other's news and to welcome newcomers. Interest groups were formed, scholarship recipient, Yvette Solis, thanked the club for its financial support, and Dr. Daniel Britt, a UCF professor of physics, delighted the group with an entertaining discussion on meteorites. Who knew rocks could be so interesting!

President's Message

Dear Club Members and Friends,

It is such a pleasure for me to be a member of this motivated, caring, and enthusiastic group and a privilege to be its president. I have enjoyed the ability to be of service to the university, to be involved in fund-raising for such a worthy cause, and to have forged some fantastic friendships.

This group has proven it is up to the challenges that lie ahead. We have made great strides in funding both our undergraduate and graduate scholarships and we will continue the effort to ensure that they are awarded each year.

There are exciting opportunities available when you are a part of this club and you can participate as often or as little as you choose. Our numerous and varied interest groups offer something for everyone. There are also many occasions for your spouse, significant other, and friends to join you in our activities.

Looking forward to another great year.

Best wishes,

Nancy L. Marshall

Moving forward by giving back

Take a Hike is a group of women who enjoy being out in nature, and the Central Florida area affords many opportunities to explore and enjoy nature at a leisurely pace. We take a moderate hike once a month between October and May. In the past year, we visited the Merritt Island Wildlife Refuge, Bok Tower Gardens, Carson Springs Farm, Payne's Prairie, and Eatonville. We begin slowly and build gradually. We meet in the Dillard's parking lot at 7a.m. at the Oviedo Mall each Wednesday. Rain, shine, sleet, or snow—we'll be there 'cause we're tough! Bring a Women's Club friend or potential Women's Club member with you as we walk, talk, and work to stay healthy.

Mah Jongg Evening –

We meet every two weeks with members taking turns hosting. Usually a light meal is provided. We have a social gathering then play 3-4 games. Some of the selections lend themselves to inviting a guest discussion leader or a field trip to a location or an event related to the book.

The Golf Group offers women in our club the opportunity to learn to play the game of golf or hone their skills and then to play the game on a regular basis during the late fall, winter, and spring.

Last year, the women in Golf Group completed a series of seven clinics at Tee It Up driving range, located in Oviedo. Ron LeClair, generously donated his time as our instructor and said we all passed with flying colors! We then headed out to the links at Casselberry Golf Club, Deer Run Country Club, Winter Park Country Club and Winter Pines Golf Club. If you'd liked like to learn the sport, this group is "Fore" you!

\$50 Match Challenge – Let's Do It!

To commemorate UCF's 50th anniversary, the Women's Club at UCF has started a \$50 for \$50 Match Challenge in the Sheila B. Somerville Endowed Graduate Scholarship.

What does this mean? For every \$50 you (or a group) donate to this scholarship, \$50 will be matched. We have already raised over \$1,200.00. If every member donated \$50, we would reach \$6,750.00, which translates to \$13,500.00!! Together we can do this.

Please send in a donation (in any amount) to Maggie LeClair at the College of Sciences, P.O. Box 161997, Orlando, FL 32816-1997 or to the UCF Foundation – specifying the Women's Club Graduate Scholarship - and it will be matched! Checks should be made out to the UCF Foundation.

Horse Management 101

Ever wanted to know which end of a horse is which? Now is your chance. For a donation of \$20.00 (per student) to the Women's Club at UCF Scholarship fund, you (adult, child, teenager, grandchild) can learn more about horse management: How to groom (brush, pick hooves, etc.), feed, water, hay, general care, parts of a horse, dos and don'ts around a horse, and horse gaits – maybe get a chance to sit on a nice horse. Please contact Maggie LeClair at 407-353-5670. Groups of four preferred.
