A Message from our President

I am honored and humbled to serve as president of this group of friendly, bright, and dedicated women as it completes 40 years plus of existence. I look forward to the camaraderie, enthusiasm, and wonderful support of the club as we assist The Foundation at UCF in providing scholarships for non-traditional undergraduate and graduate students.

Our many interest groups are a wonderful way to get to know other members and to follow our own special inclinations. All of our interest groups will be featured at our fall meeting on September 15, at the Fairwinds Alumni Center, so come and learn more about them.

In keeping with our theme for this year, Exploring Our Diverse Cultures, our featured speaker at the fall luncheon meeting will be Cesar Calvet who will be sharing his experience in Operation Pedro Pan that happened in 1960-62, when parents from Cuba sent their children to the United States to escape Castro's communist government.

I hope all of you will take advantage of some of the many activities offered by this club, a vibrant group of smart, involved women who are indeed lifelong learners. You can become very involved or you can just "taste" some activities.

2014-15 will be a really good year!

Hoping to see you soon,

Mary Meeker
