"We intend to put together a beach weekend in the spring to actually help lay the mats — and no, it will not involve wearing a wet suit!"
- Maggie

Message from Maggie

Greetings Fellow UCF Women's Club Members,

The last two months have really flown by and I have enjoyed every minute of my association with this fine group.

Dr. Linda Walters captured our attention, our imagination and our enthusiasm for becoming involved in a truly unique and worthwhile environmental project. Please see Page 7 for pictures of our mat-making session at the Ruperts.

Sometime in the spring of 2010, we will realize the goal of having our UCF Women's Club Reef become a reality. We intend to put together a beach weekend in the spring to actually help lay the mats — and no, it will not involve wearing a wet suit! It will, however, involve the reward of a good meal and maybe a margarita (or two) at the end of the day.

Our interest groups are flourishing: I hear good reports

from several of our new members that they are thoroughly enjoying their groups. Sigi has a 16 member Gourmet Group who are all having fun and becoming fast friends; Evening Bookworms has taken up Connie Washam's challenge to start a "bag o' money for scholarships" collection at the end of the meeting; Dinner on the Town met at Munroe's (Route 46) and enjoyed the surroundings, the food and the conversation. Don't be shy about shooting me an e mail or picking up the phone to let me know how your group is doing. I'd love to hear from you.

Our endowed undergraduate scholarship should look somewhat healthier after the first quarter investments/earnings but may not yet be at the level to generate spendable funds. We must therefore continue the task of fund raising in order to continue to award our scholarships. I am already receiving items for the March On -Line Auction. Please let me

know if you have an item you would like to donate. I'll be communicating further on the Auction within the next couple of weeks. The "clock" has been stopped on our Endowed Graduate Scholarship but we will be rewriting the Memo of Understanding and proceeding with fund raising for this scholarship also. I hope you will continue to be generous to either or both these scholarships. You've seen the results of our efforts on the faces of our scholarship winners. Two of the young ladies awarded scholarships at our fall luncheon joined the club and you will see them both serving at the Holiday Tea.

I would like to take this opportunity to wish you and your families a safe and very happy holiday season.

How 'Bout Those Knights!

Warmest Regards,

Maggie LeClair

Millican Statue Unveiled

It was a lovely evening and a lucky Friday the 13th for the momentous occasion of the Charles Millican Statue Dedication. Friends and family of Dr. Charles Millican, the University of Central Florida's first President, and his wife Frances, gathered in front of Millican Hall, to honor him as a beautiful bronze statue was unveiled. The statue, sculpted by Don Reynolds, was of Dr. Millican 'Reaching for the Stars.' The crowd was surprised when portions of the labyrinth platform lit up to reveal 'the stars.' Dr. Millican delivered an unscripted, heartwarming speech in which he expressed his gratitude for the honor.

The idea for the statue came from Ron Page of Herff Jones and was strongly endorsed by Roger Pynn of Curley & Pynn. Both Ron and Roger are alums and strong supporters of UCF. The event was made possible by Tom Messina and the UCF Alumni Office and Robert Holmes and the UCF Foundation.

Anyone who wishes to contribute may contact Kim Minana at the UCF Foundation.

Melodious Turkish guitar music, greetings from a lovely Nigerian graduate student dressed in a shimmering pink and blue dress, Chinese acrobats balancing plates at impossible angles....it was all part of the Kickoff Breakfast on Nov. 16 that launched UCF's International Education Week. Eight members of the Club's International Friendship Interest Group joined with over 300 others of the UCF community attending the breakfast in the Pegasus Ballroom at the Student Union to celebrate cultures and to recognize the work of people on campus and in Orlando who are forging global connections. The keynote speaker, Ron Soodalter, delivered a hard hitting account of modern-slavery in the U.S. He is the co-author of "The Slave Next Door: Human Trafficking and Slavery in America Today."

On Wed., Jan. 13, International Friendship members will gather at the home of Teresita Leeson for an International Potluck. For more information, contact Teresita at tbleeson@earthlink.net or Mary Dipboye at mdipboye@yahoo.com

Gourmet I, II and III

The Gourmet I group met at the Rosen College of Hospitality's Brunch on November 15, 2009. The food was good, but the company was better as we remembered our long-time friend Sheila Somerville. Left Picture (from left to right, starting at the top row) are: Dick Tucker, Essam Radwan, Ed Rinalducci, Lee Armstrong, David Kuhn, Beverly Tucker, Wendy Radwan, Anne Rinalducci, Ali Armstrong, Larry Cottrell, Judy Kuhn, Teresita and John Leeson, Jane and Richard Denning, and Mary Ann Cottrell.

Six couples attended the 'launch' party of Gourmet II at the Stockhammers on Sat, Nov 7. We enjoyed delicious appetizers and Sigi's standby, the 'Wiener Apfelstrudel mit Schlag'. We will probably have eight couples and our first official dinner will be in January 2010. We cannot wait!

A contingent of Gourmet III gathered for a delightful Polish evening arranged by Richard and Mary Agnes. Their delicious Polish appetizers and Polish drinks were followed by a superbly planned, and tasty, evening at Palmanos Polish Restaurant in Casselberry. Evening Bookworms (above) met on November 11th to discuss "Three Cups of Tea." A small group this time, but a great conversation. We are looking forward to a fun year. In December, we are meeting for a sock/bookmark swap and to tell our favorite holiday stories. In January, we will be reading "South of Broad."

Arts & Culture

Upcoming Events:

December 5- Maitland Arts Center has Sculpture by Candlelight. Concrete Realities: Andre' Smith Sculpture

January 10- Orlando Philharmonic featuring Itzhak Perlman

Beauty, Health & Fitness

A new interest group, Beauty, Fitness, and Health, is in the process of getting organized. Our first meeting will be held Monday, January 11th, 2010. Members will be treated to a color analysis and an hairstyle/hair color analysis.

The February 15th meeting will be dedicated to skin care. Future meetings may include belly dancing lessons. Interested members may contact Dell Shadgett or Sarah Magann.

Hikers R Us

Hikers R Us had our first hike of the season on October 26 at Kelly Park near Sanford. Map reading, blaze locations, and unseasonably warm temperatures challenged our skills, but the friendly "chick-chat" made up for the inconveniences...and, we did not meet that bear whose tracks we saw in the sand.

Our November hike was the 16th at Split Oak Forest, and on December 7, we plan to hike The Nature Conservancy's Disney Wilderness Area.

Chick Flicks had a wonderful time at "Julie & Julia" and "The Time Travelers Wife". Connie Lester, Amy Foster, LeE Brady, Aryna Ryan, Kathy Sidor and a couple of other friends are pictured for Julie & Julia; and Connie Washam, LeE Brady, friend, Kathy Sidor and Aryna Ryan at right.

Chick Flicks

Hopefully you all saw them both, but Julie & Julia inspired me to start a blog and the Time Travelers Wife was lovely to watch and a very clever story.

We are a 'catch as catch can' group and go when there are movies that interest us. We try to go on Sundays in the early afternoon...but are up most any time. If you go to the movies on your own, remember to get your Regal Crown Club Card...and hopefully you'll join us when you can!

Spring Luncheon 2010 Featuring Dr. Sean Snaith College of Business Administration

Tuesday, April 13, 2010 at 11:00 a.m. –1:30 p.m.
Lake Nona Country Club
Hosted by Bette and Peter Panousis

Dr. Sean Snaith is the Director of the Institute for Economic Competitiveness at the University of Central Florida's College of Business Administration. He is a widely recognized national expert in economics, forecasting, market sizing and economic analysis who authors quarterly reports about the Florida and U.S. economies.

Dr. Snaith frequently appears in national and regional media and is sought after as a speaker. Renowned for his engaging presentations, one business editor wrote, "Snaith (has) an uncanny knack of making economics not only understandable but interesting."

WE DID IT! Oyster Reef Restoration Project Update

Above: Group including Boyd Lindsley and Peggy Stevens (in back-ground), Jackie Young, Samantha Yuan, Maggie Le-Clair, Mary Stevens, and Mary Ann Hostetler

Right: Liz Payer works on an oyster mat. Almost to the total goal!

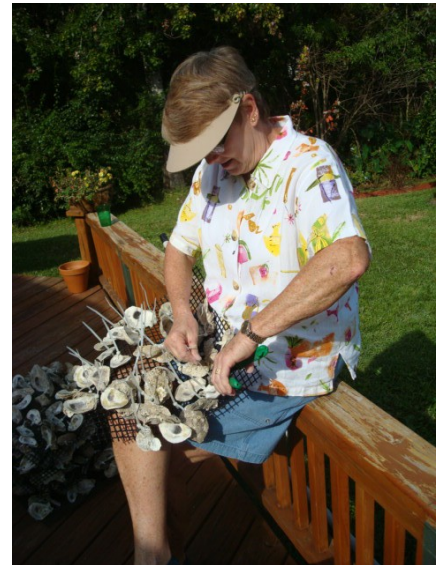

A hardworking group of members and friends of UCF Women's Club met at the home of Jeff and Jen Rupert to construct what we felt sure would be lots of oyster reef mats for the Oyster Reef Restoration Project. What we did not expect was to reach our goal of 200 mats in one session! I'm certain everyone went home tired, with dry, sore hands but with an amazing sense of accomplishment.

With this great goal reached, the UCFWC now has naming rights to a reef. If there is anyone who still wants to be involved in this project, there will be opportunities later. We have asked Judy Kuhn to help with a reef trip so we can actually help lay some of the mats. We are hoping

she agrees! That will not be until spring 2010.

Special Thanks to Jen and Jeff Rupert, who hosted our group at their lovely home on the lake. Jeff makes terrific salsa and hummus! Jen's banana bundt cake and pizza rolls were a big hit also! Their cute and adorable son, Preston helped too...even Kosmo, their Australian Shepherd was out there cheerleading! We are sure everyone is a little creaky afterward, but when we looked up and saw all those mats, I think we even surprised ourselves that we had actually finished! Seems like we surprised Dr. Walter's also!

For more information on the project, please visit http://www.nature.org/wherewework/northamerica/states/florida/files/oyster_restoration_fact_sheet.pdf

Thanks to Our Wonderfully Motivated Mat Making Group- You were truly inspirational!

Scholarship Award Winners Announced!

Time goes by very quickly as, once again, it was time for the UCF Women's Club Fall Luncheon held at the UCF Student Union in the lovely Key West Ballroom, on September 29. The celebration was a time to recognize the good work of the Club in their tireless efforts to raise money for scholarships benefitting non-traditional students. The event highlighted the UCF Women's Club significance for the students who benefit from the award of scholarships, and also served as a reminder of the great strides the Club has made in the last 40 years.

The Scholarship Committee had the grueling task of selecting only three candidates from the more than 240 worthy applicants. Once selected, the three scholarship award winners received a \$1,500 scholarship. Award winners were Jennifer Green, Chantal Delva and Patricia Urdzik, who were introduced to WCFWC members at the luncheon. Jennifer is a Humanities Major from Port St. John who dreams of becoming a college professor, wife and mother. A junior this year, Jennifer is grateful to have received the scholarship that will let her continue her education and reach her dreams. Originally from St. Martin, Chantal Delva is the first in her family to attend college. Chantal is a junior majoring in pre-med and is striving to become a neonatologist due to her passion for helping babies. Patricia Urdzik is earning her degree in Anthropology and is a student in the Burnett Honors College. A non-traditional student, Patricia is a single mother and U.S. Army Veteran. Immediately upon graduation, Patricia plans on receiving her M.A. degree and PH.D. at the University of Florida Anthropology program.

The UCF Women's Club, Board of Directors, and Scholarship Committee offer their congratulations and wish these young ladies continued success!

In Memory of Sheila Somerville

Sheila, a long-time Club member, quietly succumbed to cancer on November 13, 2009. She was at home, surrounded by family members at the time of death. Sheila was 78 and had she and Paul had been married for 55 years.

Sheila was very "proper" and "correct" in what she did, and she always strove to appear gracious to everyone. She was a lovely person and was always willing to help out, especially with the UCF Women's Club activities. In our Club, she was a member of the Originals and of Gourmet I (she bakes a mean Finnan Haddie). She was also active in the Oviedo Women's Club.

Although in somewhat fragile health for years, she had a zest for life, and she and Paul traveled to 58 countries. She was a good bridge player and quite the avid football fan, having attended the UCF games since the football program began.

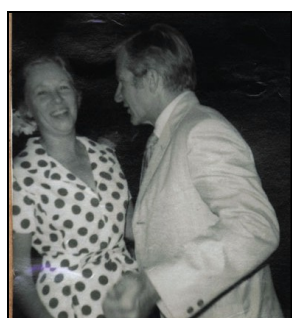

She is survived by husband Paul, daughter Deborah and her husband Luis Velez, son David and his wife Sylvia Somerville, brother Peter Craig Bell, and grandchildren Natalia, Christopher, Cristina, Alison, Victoria, and Nalina.

Family members hope to plan a gathering for family and friends after Thanksgiving. Anyone wanting to remember Sheila is urged, in lieu of flowers, to make a donation to: Hospice of Health First, Inc., 1900 Dairy Road, Melbourne, FL 32904 (telephone 407-952-0494) or your local "not-for-profit" hospice in her name: Sheila Doreen Somerville.

In Memory of Jo Dutton

Jo Dutton was a member of the UCF Women's Club and a keen Gourmet Interest Group participant. Jo and Art shared a passion for dancing. They will be long remembered for their elegance at the UCF President's Balls and the demonstration dance they performed for the UCF Retirement Association. Long after they retired, when Jo put on her dancing shoes, she looked like a school girl! She and Art also shared a passion for making the world a better place and their efforts have benefitted us all.

Jo is pictured at left with her husband, Art Dutton.
