ADDENDUM

Winter issue 2021

INSIDE THIS ADDENDUM:

- ◆ Interest Groups Highlights
 - ◆ Theater
 - ◆ PageTurners

- ◆ Zoom into Spring Gardening
 - ◆ February 27—Registration info. — Free Virtual Event from Master Gardeners of Seminole County

- Enjoy this addendum. It includes information that was inadvertently omitted from the already published newsletter. My apologies and thanks to Anna Hobowski for sharing information on her interest group activities.

Interest Groups News (cont.)

Theater

The Theater Interest Group has been unable to meet since spring 2020 due to COVID-19. Three already planned events had to be cancelled at that time. Since then, of course, the very nature of our group has prevented us from planning events, as large group events are deemed unsafe and are discouraged. In addition, the theater industry has shut down during the pandemic. We will not be participating in the few productions that are starting to emerge at this time, and will not until we are confident that the virus is no longer a danger.

Several e-mails have been sent out over recent months to interest group members, sharing information about streamed or virtual theater events. Please feel free to contact Anna Habowski, at anna4theater@cfl.rr.com if you have information about streamed or virtual events that you would like to share with the group.

We are looking forward to the day when we can come together again to enjoy our cultural pursuits and spend time with the friends that we miss so much.

By: Anna Habowski,
Leader, Theater IG

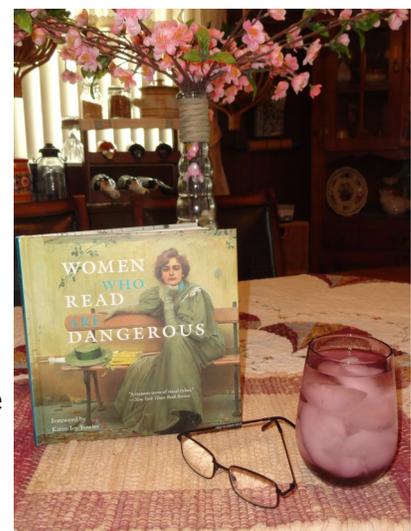

PageTurners

The PageTurners book group meets the third Wednesday of every month from 1:00-3:00 p.m., normally at the home of one of our members. Each hostess provides light snacks and a comfortable seating arrangement for our discussions. We spend a few minutes eating and socializing before getting down to business. Our group has 20 members, and our attendance usually runs 13-14, which allows for an intimacy that we all appreciate. Since the beginning of the pandemic, however, our group has continued to meet monthly by Zoom.

Members submit book titles which are added to a running list from which we select our choice for each month. During the February 2021 meeting, PageTurners members will read and discuss "*The Girl with Seven Names*" by Hyeon-Seo Lee, a story about a North Korean defector.

Discussions during our meeting are led by volunteers (usually the member who recommended each particular book). While Zoom has allowed us to get together, we are all looking forward to meeting in person once again and are hoping that will become a reality by late spring.
