Tears of Joy, Tears of Appreciation, Tears of Memories, and Joy of Friendship were on display this evening. What a great event held on 25 October 2021 and enjoyed by more than fifty of our club's members, in person.

Thank you to all who contributed to make this celebration a fantastic event. On behalf of the Hall of Fame Committee, and your women's club board members, we thank those members who created, shaped, and continued the legacy and the energy of the club — with love, friendship, giving back, and their talents and time.

Fall Friendship Social and Hall of Fame Celebration –Oct 2021

Quite An Evening! By: Kathy Littlefield

Our latest social event uniquely celebrated friendship and recognized the legacy of our Hall of Fame members. It also reflected the fun of partnership. On 25 October 2021, just before 5:00 p.m., the Clubhouse of Woman's Club of Oviedo seemed to resemble a "manic Monday." (Yes, you read that correctly. The Women's Club at UCF celebration was held at the building of another long standing woman's club.) No detail was left to chance. All hands were on deck to set-up and get ready to celebrate.

Roberta Shoopman had coordinated, organized, and labeled every item and every table where it belongs. Robert and Kathy Littlefield had beautifully created the charcuteries to be enjoyed. Many hands were busy checking the black and gold table décor. Linda Hennig was decanting the wine, while Kathleen Hagerty and Karen Manglardi ensured that the official banner of the Women's Club at UCF was clearly on display at the front door. Yeshi Pattada secured the balloons and parking signs. Other board members, Linda Ebner and Barbara Gross pitched in to set up tables and chairs. Somewhere in the kitchen, Donna Albert stacked trays of cheese, fruit, and charcuterie. Sue Chapman set up the computers and checked that the program pictures and display were ready to go. The voice of Roberta reassured us that "We're close. We are almost ready."

And then, Teresa Riedel's smile radiated the emotions we all experienced in greeting the family members and friends of Ali Armstrong and Frances Millican. New members met our Hall of Fame inductees and learned about their contributions to our club: leadership, scholarship fundraising, committee service, and friendship/support for each other. The highlight was the presentation of the beautiful Women's Club at UCF Hall of Fame Porcelain Art Plate, created by our very own member artist Carol Pickler. Judy Simonet, close friend of Sarah Magann accepted the plate on behalf of Sarah's husband Doug, echoed many feelings by saying: "I can't stop crying!" While Mama Dell simply stated: "It's perfect."

Kathy Littlefield read that Marian Bolte's husband, John, emailed his message to our club: "We have placed Marian's plate in a special place of honor in our house". At that moment, Beth Barnes informed us that John Bolte is really a member of our club. When Marian passed away, John continued to meet via Zoom with the Interest Group ("Searchers") tracing their family histories.

This special evening concluded with several members joining in clean-up duties. The stories shared among our members and guests reflect the close ties, memorable experiences, and friendship that encompass what our club is about and is clearly demonstrated in the phrase attributed to Maggie LeClair about our organization: "We move forward by giving back."
